

# Coral Resources for Educators

## NOAA National Ocean Service

- Tutorial for Students (HS level): <http://oceanservice.noaa.gov/education/kits/corals/>
- Links to NOAA information and data:  
[http://oceanservice.noaa.gov/education/kits/corals/supp\\_coral\\_roadmap.html](http://oceanservice.noaa.gov/education/kits/corals/supp_coral_roadmap.html)
- Professional Development Resources: <http://oceanservice.noaa.gov/education/pd/corals>
- Lesson Plans: [http://oceanservice.noaa.gov/education/lesson\\_plans.html#life](http://oceanservice.noaa.gov/education/lesson_plans.html#life)

## NOAA Coral Reef Conservation Program

- Coral Reef Education Resources CD Web site: <http://coralreef.noaa.gov/outreach/resourcecd08>
- Remote Sensing Curriculum (middle school level):  
<http://coralreef.noaa.gov/outreach/resourcecd08>

## NOAA Coral Health and Monitoring Program

- Educational Modules (coral spawning, coral bleaching, effects of CO<sub>2</sub> on coral reefs):  
<http://www.coral.noaa.gov/cleo/education.shtml>

## NOAA Office Ocean Exploration

- Curriculum: <http://oceanexplorer.noaa.gov/edu/curriculum>
- Multimedia Learning Objects (Deep Sea Corals is #3 on List):  
<http://www.learningdemo.com/noaa/>
- Ocean Careers: <http://oceanexplorer.noaa.gov/edu/oceanage/>
- Professional Development Opportunities:  
<http://oceanexplorer.noaa.gov/edu/development/development.html>

## NOAA Office of National Marine Sanctuaries

- Encyclopedia of the National Marine Sanctuaries:
  - Florida Keys - <http://www8.nos.noaa.gov/onms/park/Parks/?pID=8>
  - Flower Garden Banks - <http://www8.nos.noaa.gov/onms/park/Parks/?pID=9>
  - Northwestern Hawaiian Islands - <http://www8.nos.noaa.gov/onms/park/Parks/?pID=12>
- Professional Development Opportunities:  
<http://www.sanctuaries.noaa.gov/education/teachers/professional.html>
- Field Study Opportunities: <http://www.sanctuaries.noaa.gov/education/teachers/fieldstudies.html>
